## becoming **The Kindness Kid**

### Leader's Guide

This unique, thought provoking interactive board game strengthens students' core SEL competencies as they show Respect, Generosity, Consideration and Altruism to become The Kindness Kid and win the Community Champ Cup!

With simple rules and bright colors, students make responsible decisions as they move along the game board to earn Eyes, Ears, Hands, a Smile and of course a Heart to draw their Kindness Kid.

Using everyday life situations from, home, school, playground, library and senior center, students answer True or False questions and go along the game board. As they give the correct answers, they are moving, gesturing and actively participating.

Travelling through the Community, they slip into "Selfish Slop", climb out onto the "Good Deed Bridge". trip into the "Ditch of Disrespect", ride out on the "Road of Respect", fall into "Impolite Pothole". take the "Polite Path", jump over "Careless Cracks", drive the "Considerate Curve", avoid the "Rude Rut", circle along the "Altruistic Arch" and go through the "Tunnel of Care".

When the Crusade is complete, students have demonstrated their understanding of Consideration, Generosity, Altruism and Respect throughout the Community.

Before starting the game, please display the "Community Champ Crusade...becoming The Kindness Kid" game page (on the next page) and distribute tokens; they can be anything you want (e.g., paper clips, coins, erasers).
